Ted and JoAnn Dawson, recipients of the 2009 Cecil County, Maryland Outstanding Farm Operation award, combine their agricultural, theatrical and business backgrounds to demonstrate to your group their own exciting success story and the top ten ways to adapt it to your own business.

Married for 28 years, the Dawsons are the epitome of the entrepreneurial spirit. Through hard work, brain power, and plenty of humor thrown in to keep things lively, they have turned their **Fairwinds Farm & Stables** in North East, Maryland into a magnet for tourists and travelers, offering something for everyone.

Sharing the dream of many agriculturally-minded couples, the Dawsons have achieved their goal of making a healthy living **on** the farm without having to work a full-time job **off** the farm.

Their PowerPoint presentation, "**Thinking Outside the Box Stall: Top 10 Ways to Avoid Getting a Real Job**" reveals their road to success with wit and wisdom, and plenty of opportunities for Q&A. See why Fairwinds Farm has been featured in **The New York Times, Baltimore Sun, Country Woman, Horse & Rider, Maryland Life** and on **Good Morning America**.
